Mr. Francis J. McNamara
Director, Committee on Un-American Activities
United States House of Representatives
Washington, D.C.

Dear Mr. McNamara:

Following up our phone conversation last week, I think that you might be interested in viewing some of the Radio Liberty monitoring of Soviet Central television. One of the films, a "documentary" concerning violence and crime in American life would, I think, be of particular interest. An English language translation has been dubbed on the sound track over the Russian, so it may be understood by American audiences.

It is likely now that we will be bringing the films to Washington in January, but the exact date has not yet been fixed. When it is, I will let you know the time, date and location as soon as possible.

Unfortunately, I am not authorized at present to invite any Committee members to view these films and if I gave that impression over the telephone, it was an error on my part.

My very best wishes,

Edward W. Pell
Public Affairs Officer

What a hell
processed them to offer it
to HJAC without checking with
us in first place, and who is the
who allowed the last
to go out 22!! TAD

This is the most peculiar
letter I have read in
a decade. 27.
